Dear Ana:

On behalf of TESOL and our now retired Executive Director, Chuck Amorosino, please accept our grateful thanks for the beautiful painted canvas wall hanging received during the TESOL convention in Boston. Its vibrant colors contrast so well on the special wall where Chuck had directed this piece be placed.

The wall hanging reflects what feels to me like the warm friendliness of our TESOL members in Argentina. When we had visitors from Argentina shortly following the convention, we took pictures of the art and shared them with Chuck who was most pleased to have them.

The office art contributed by our various affiliates over the years is a source of pride and conversation when TESOL hosts visitors from other countries. TESOL appreciates that Argentina has contributed to our collection!

Sincerely,
